

Financial Delegation Authority

17 March 2016

Upon endorsing, the UASG authorizes the following to commit funds:

The Secretary General	Up to \$5,000 for an already approved budget line.	Up to \$1,000 for an item not already in an approved budget – provided that the total budget of the UASG is not exceeded.
The Chair	Up to \$10,000 for an already approved Budget Line	Up to \$5,000 for an item not already in an approved budget – provided that the total budget of the UASG is not exceeded.
The UASG Administrative Group – The Chair & Vice Chairs	Requires majority approval of those present in a call to authorize an already approved budgeted item.	The UASG Administrative group can reallocate budgets during a financial year as long as the total budget of the UASG is not exceeded. An authorization for an expenditure outside the approved budget will require a majority of the UASG Administrative Group – The Chair & Vice Chairs.

As the UASG uses ICANN’s financial systems, their processes will also apply.
