1. From time to time there will be a call for travel funding for participants in the UASG. This paper establishes criteria and process for providing such funding.
2. Volunteers
 - a. The UASG accepts that people contribute their time and energy on a volunteer basis – but also notes that, generally, their employers support them.
 - b. Individuals should not be ‘out of pocket’ for participating in the UASG.
3. The Chair, Vice-Chairs, and Project Group Coordinators can call on funding to attend up to two UASG gatherings per year.
4. Approvals for funding of all participants will require the unanimous agreement of the Chair and Vice-Chairs of the UASG.
 - a. Criteria may include:
 - i. The amount of active contribution to the UASG generally and specific project groups
 - ii. The number of approved requests already processed.
 - iii. Endorsement from the Project Group coordinators
5. Standard travel funding criteria processes currently used by ICANN will apply – Least cost, most direct, economy airfares, etc. Arrival no earlier than day before the event and departure on the last day of active participation in the event.
